

SOLTIS PROOF 502

V2 wordt V3

Serge Ferrari
group

Soltis Proof 502 V2 is verbeterd naar Soltis Proof 502 V3. Naast de vertrouwde Précontraint® technologie is de vernieuwde V3 is onderdeel van de Soltis Loop® serie, ofwel een innovatief product gemaakt van gerecycled materiaal. De V3 is een 590 grams doek, geschikt voor veelzijdige toepassingen als schaduwstructuren.

Verbeterpunten SOLTIS PROOF 502 V3 t.o.v. SOLTIS PROOF 502 V2

Hogere treksterkte

Zwaardere kwaliteit

Gemaakt van gerecyclede polyester draden

Nieuw kleurenpalet

Soltis Loop® is een nieuwe generatie innovatieve producten, gemaakt van gerecyclede materialen, die onze duurzame aanpak belichamen: "Doe beter met minder". Deze zin weerspiegelt onze wens voor lichtere, duurzamere en hoogwaardige membranen, zonder enige extra impact op het milieu. Gericht op het besparen van natuurlijke hulpbronnen, zijn de Soltis Loop®-series een voorloper van morgen, waarin we nog meer kunnen doen met minder.

502 V3 = NIEUW **V3**

502 V2 = UITLOPEND
